Agra in Espresso, Green

Studio 502 in Chatreuse

Inspired by...

Agra the city of Taj Mahal has been one of the main centers of rug making in India since the 16th Century. This new piece embodies the classical motifs of the region and it's flowing pattern combined with the latest colours, makes it extremely versatile for any setting.

Studio 502, is the latest addition to our Modern Art collection. Hand-knotted with pure Chinese silk and hand-spun wool it can truly set the mood for a contemporary space.

Tsuru(The Crane), has always been a strong symbol of success & good fortune in Japanese culture. Created with the finest Chinese silk & New Zealand wool, Tsuru will have a special place in your heart and home.
