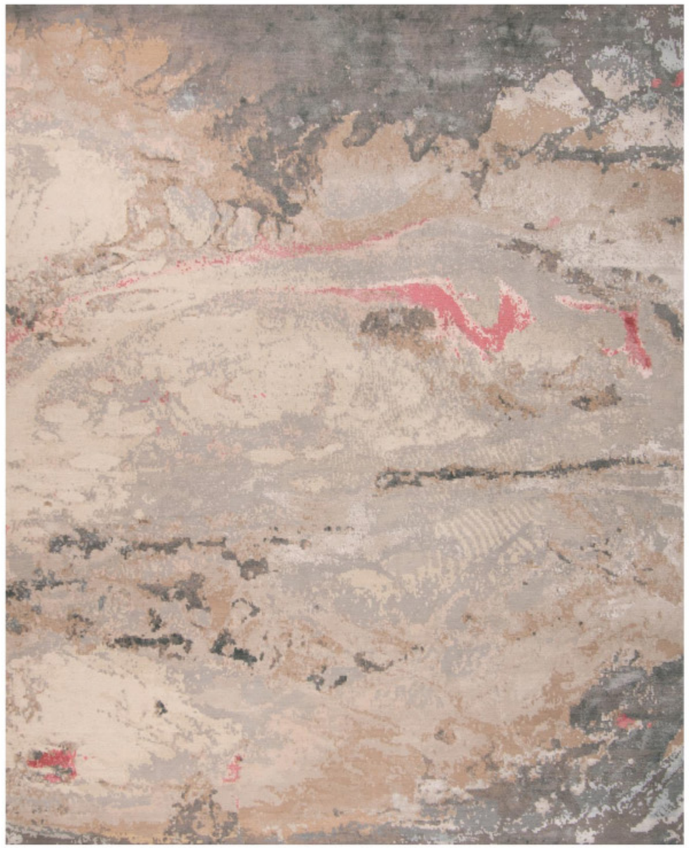
"A beautiful space starts from the ground up with a weavers art…"

– Michael Pourvakil



Marble Heaven – Original in silk & wool

Marble Heaven: Beautiful abstract clouds and colours fill the sky. Soft tones subtly fill the movements of the design that extends in all directions.

Ambient – Original in silk & wool

Shadow Raspberry in silk & wool

Ambient: A watercolour collage that has us hearing gentle music all around. The visual ambience create the organic effect of paint blending with the splatter.

Shadow Raspberry: Softly blurred lines of shimmering raspberry silk spread across the murky mist design. This rug is handknotted in fine Tibetan wool with pure Chinese silk in 100 knot.
